

Reusable Hot Cup

A reliable solution for serving hot beverages

Serve every hot moment with confidence – whether it's coffee, hot chocolate, tea, or other hot beverages. Reduce waste and support your sustainability goals with Greiner Packaging's reusable Hot Cup. Built for repeated use, the Hot Cup combines durability with consistently high performance and offers a wide range of colors to match your brand identity. For added convenience, the cup can also be paired with a suitable lid upon request.

Your advantages:

- » Comfortable **grip** that helps reduce heat transfer, so your consumers don't burn their hand while holding the cup filled with a hot beverage
- » Built to perform across multiple uses, supporting you in meeting your **sustainability goals** by reducing waste
- » **Various color options** to match your look
- » **Dishwasher safe** for effortless cleaning and high hygiene standards
- » Choose between **2 different sizes**
